

Pre-bid meeting

Date: 27th October, 2023

Time: 11:00-11:30 AM

Venue: GovTech Conference Hall C

Contract title: Supply, Installation, and Commissioning of Active DWDM Solution

Required document regarding Bidder Experience: The bidders shall submit separate FORMs - EXP-1 and EXP-2 - given in the Section IV of the bid document. The bidders shall submit a copy of the work/supply orders associated with all the projects/contracts mentioned by the bidder in their experience forms.

General Experience/Financial Capacity: The requirement of Nu.15 Million can be a total of multiple projects, but should have executed within the *same calendar* year in the last 5 years as reflected in the tender document or a single project's contract value of above Nu.15 million.

Joint venture: Even if you have a joint venture with an OEM, they will have to provide an MAF certificate to the local bidder.

Technical Approach and Methodology and workplan: The bidders shall submit technical approach and methodology, work plan, knowledge transfer strategy along with proposed Technical Solution in their technical proposal. The bidder's proposal shall be evaluated based on the evaluation criteria specified in the bid document. Addendum shall be issued to reflect this change.

Presentation: As mentioned in the tender document, the lowest evaluated bidder shall be invited to present their submitted technical solution along with technical approach, methodology and work plan. The PMU shall facilitate online platforms to enable remote participation of JV partners. However, the lead firm shall be required to physically attend the presentation session.

Time extension for tender submission: As per PRR 2023, the open tender is for 21 days. Considering the submission of the prospective bidders, the bid submission is extended by one week i.e till 16th November 2023.
