**Specific Procurement Notice (Invitation for Initial Selection)**

**Purchaser: GovTech Agency, Royal Government of Bhutan**

**Project:** Accelerating Transport and Trade Connectivity in Eastern South Asia (ACCESS) – Bhutan Project

**Contract Title:** Design, Development, Supply, Installation, Deployment and Implementation of Bhutan National Single Window System

**Country:** Bhutan

**Loan/Credit No.** IDA/V5040

**ISD No:** ACCESS/GovTech/GD-9

1. The Royal Government of Bhutan has received financing from the World Bank toward the cost of Accelerating Transport and Trade Connectivity in Eastern South Asia (ACCESS) – Bhutan Project and intends to apply part of the proceeds toward payments under the contract for **Design, Development, Supply, Installation, Deployment and Implementation of Bhutan National Single Window System.**
2. The GovTech Agency, Royal Government of Bhutan intends to initially select Applicants for ACCESS/GovTech/GD-9: Design, Development, Supply, Installation, Deployment and Implementation of Bhutan National Single Window System. The Bhutan National Single Window (NSW) is a digital platform to streamline and automate trade-related processes by integrating existing certificate, license, and permit issuing services from multiple government agencies into a single, end-to-end online service. By enabling businesses and traders to submit required documents and information through a unified portal, the NSW will improve inter-agency coordination and facilitate cross-border trade. The system is being developed with a focus on interoperability, integration with Bhutan's national digital identification
